

Bayer Personal Information Collection Notice

By completing the fields in the job application that follow, you are providing personal information to Bayer Australia Ltd and its affiliated companies including Bayer Cropscience Pty Ltd, Imaxeon Pty Ltd and Bayer New Zealand Ltd (collectively referred to as "Bayer").

The personal information we collect from you may include your name, contact details, CV and information in relation to the job application form. We collect your personal information for the purposes of our recruitment process and to contact you for any future job vacancies that may interest you. We may engage a third party provider(s) to assist us to manage the recruitment process, assess potential applicants and communicating with you in relation to possible job opportunities. By continuing to provide your personal information, you consent to us disclosing your personal information to our third party provider(s) for the purposes above.

Without your personal information we will not be able to process your application. If you are successful in your job application, your personal information you provide will be disclosed to the relevant internal team(s), which could include human resources, communications and legal etc. If you are unsuccessful in your job application, your personal information will be retained for the purposes of contacting you for any future job opportunities.

As Bayer is a global business some personal information may be transferred overseas.

Our privacy policy contains further information about how we collect, use, store and disclose your personal information including how you may access your personal information and seek correction of such information as well as how to complain about a breach and how we will deal with such a complaint.

Our privacy policies are accessible here:
